Its official, the BRAG club is hosting its second inter-club event for the year. We welcome all MAAA affiliates to visit and enjoy our Club at the picturesque site of Blue Rock Lake, Willow Grove. This event is a general fun fly off the strip and float fly. The club has a 100 meter long landing strip suitable for most size aircraft, Blue Rock Lake for float planes and two Heli circles/pads are available. Flying starts at 9.00 am BBQ catering on the day including cold drinks. Full details at our website. [Click Here](#) Did someone say camping? Yes, camping is available for the weekend.
